Is it not possible to do it earlier? If, as we expect, the energy review  
is announced before Parliamentary recess in July we need to be well  
prepared to hit the airwaves confidently then, rather than in September.

Best regards

Keith

Dear All,

You have been nominated to attend an upcoming one day media training session with Weber Shandwick. I am currently looking into some dates with Weber Shandwick over July & August and will send out some proposed dates with the aim of agreeing on a day when you can all attend.

This media training will following on from the last training session held in March this year. However there will only be the 10 of you participating in this workshop and therefore it will be a more 'hands on', intensive day with each of you partaking in television and radio interviews.

Please feel free to contact me if you have any queries. I am in the office today but from tomorrow will be away until 16 June, however Debbie Holland (Philip Dewhurst's PA) will be in the office and I will be checking emails.

Ruth - can you please pass on to [REDACTED] as I don't have her email.

Best regards

Belinda
