Dear Stephen

Could you please cast your eye over the attached draft agreement between NIA and Scientific Alliance for the organisation of a visit by a party of Finns in September. It looks fairly straightforward to me, though the cancellation clause may be a bit steep because the Scientific Alliance's management costs are £10k. The full costs of the visit will be recovered from BNFL.

Dorothy, as the ultimate paymaster do you have any problems with the agreement? If you have any comments could you please inform Stephen Tustin because I shall be away on leave.

Stephen, assuming everyone is content could you please write to [REDACTED] formally accepting the agreement on behalf of NIA, and raise a cheque for the first £10000 instalment by 6 August.

Best regards

Keith
